

'Spiritual Warfare' Pos Powell: November

Due to the overwhelming success of the last weekend on Warfare, we are offering this weekend again.

A weekend on Spiritual Warfare with Ros Powell

Based on

Ephesians 6:11 – 13

'Put on the full armour of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms'.

Spiritual Warfare is warring or battling spiritually on behalf of yourself or others in the name of the Lord Jesus.

The longer we walk with the Lord, the more we realise that the Christian life is a battle, and that we have constantly to claim the victory and power won for us by Jesus' death on the cross.

Catechism: THE BATTLE OF PRAYER

2725 Prayer is both a gift of grace and a determined response on our part. It always presupposes effort. The great figures of prayer of the Old Covenant before Christ, as well as the Mother of God, the saints, and he himself, all teach us this: prayer is a battle against whom? Against ourselves and against the wiles of the tempter who does all he can to turn man away from prayer, away from union with God. We pray as we live, because we live as we pray. If we do not want to act habitually according to the Spirit of Christ, neither can we pray habitually in his name. The "spiritual battle" of the Christian's new life is inseparable from the battle of prayer

In our day it is crucial to learn how to fight back the enemy with the authority given to us from Jesus.

We are soldiers in the army of the Lord, and we battle with heavenly weapons of warfare.

Come to this weekend and learn how to claim the victory of the cross.

During the weekend we will cover:

- Individual warfare. Recognising the spiritual source of many of our problems or difficulties and learning how to battle for our families and our needs when things seem hopeless.
- Corporate warfare. Standing together as a body to claim back the blessings that God intends for us. Praying for our towns, our countries, and our church.

The place of spiritual warfare in the exercise of your ministry – especially in praying for others for healing and deliverance.

The cost for the weekend on Spiritual Warfare is £ 90. *(Please check the Pantasaph Web site to confirm the cost)*
