

A Weekend on Spiritual Warfare, Deliverance and Generational Iniquities with Ros Powell and Shauna Tooley

8-10th November 2019 at Cloverley Hall, North Shropshire. SY13 4PH

'Put on the full armour of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms'

Ephesians 6:11-13

We live in an age when **evil** has been unleashed against all that is **good and holy**.

We must learn to **fight back** with the **spiritual weapons** which the **Apostle Paul tells** us about in **Ephesians 6** and with **authority** given to us from **Jesus Christ**.

Spiritual Warfare is warring or battling spiritually on behalf of yourself or others in the name of the Lord Jesus Christ.

Sister Faustina (Divine Mercy) speaks many times in her writings about the need for Spiritual Warfare; the Lord told her: "**Prepare for great battles. Know that you are now on a great stage where all heaven and earth are watching you. Fight like a knight, so that I can reward you. Do not be unduly fearful, because you are not alone**"ⁱ

This weekend is designed to **train you** how to claim the **victory of the cross** for yourself and others: it will also **equip** those who are **called** to the healing ministry and **empower** those involved in spiritual leadership within the **Body of Christ**. We will cover:

- ❖ **Personal warfare: learning how to 'fight the good fight of faith' for ourselves and others**
- ❖ **The key principles to freedom through the deliverance ministry**
- ❖ **A foundation teaching on Generational Iniquities and Curses**

Over the weekend you will be lead through a prayer of release for yourself and those in your generational line. Also, Shauna has written an e-book on Generational Iniquities and Curses: it's available to purchase and download from shaunatooley.com as it would be beneficial to read before attending the weekend.

For more information or to **book** please go to **www.rospowell.com/retreat/** or email **contact@rospowell.com**

Please feel free to circulate this information about this unique weekend of empowerment and impartation to others who you feel would benefit.
